A newsletter by a chip carver who knows nothing about newsletters and even less about carving.

He was able to acquire his position simply because no one else would take the job.

Please give Marshall Stearns your newsletter input at (937) 837-0728 or [Lstearns@erinet.com](mailto:Lstearns@erinet.com).

## October Program: Carve a Pumpkin by Karen Christian

You are a wood carver so you better be able to carve a great Halloween pumpkin. Learn how at the October meeting, just in time for Halloween.

Karen was once very active in The Dayton Carvers Guild, dropped out and has just re-joined. She helps with judging at Artistry in Wood. She will be sharing an exhibit space there with Joe Lehman.

## Who we are. What we do.

We, The Dayton Carvers Guild, are wood carving enthusiasts. Some are experts and some are beginners. All are welcome.

Carvers and folks who might be interested in carving are invited to come to our meetings.

At a typical meeting we start with Show and Tell. Seeing what others have carved inspires you. We break for coffee and cookies, and then have a program. It might be a "how to" demonstration or a presentation of something related to wood or carving. Ideas flow.

Artistry in Wood is a world class two-day show exhibiting wood carving and woodworking art, selling it, selling tools and wood, plus a competition. We put on this show.

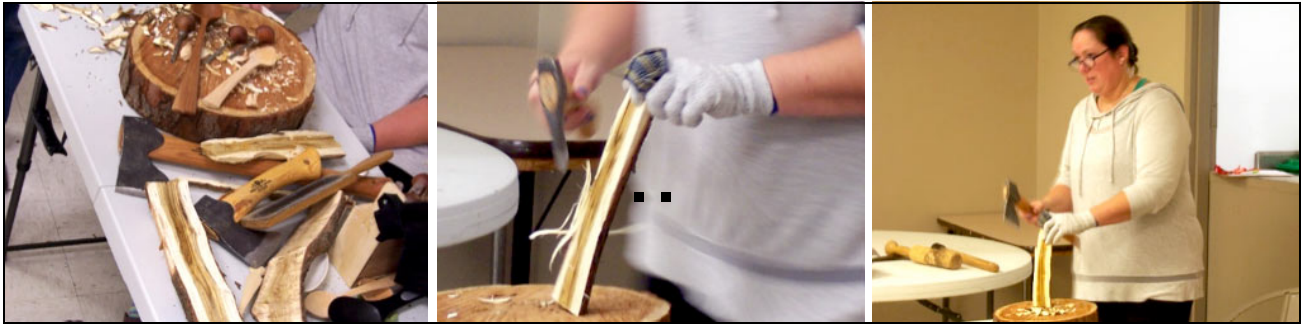

If you have questions please contact Marshall Stearns at [Lstearns@erinet.com](mailto:Lstearns@erinet.com) or (937) 837-0728.

### **Ornaments for Artistry in Wood**

After the September meeting we had 91 ornaments and will get some more prior to the show. For the new members, this is about us carving these ornaments, hanging them on a Christmas tree at Artistry in Wood and raffling off the ornaments. The money earned goes to Dayton Carvers Guild.

If we have carvings for anything we will probably have a competition and prizes. We voted for our favorite ornaments at the September meeting. The big winners were:

A tie for 1<sup>st</sup> and 2<sup>nd</sup>

	Don Worley and Don Mertz	\$17.50 each
3 <sup>rd</sup>	Don Mertz	\$10
4 <sup>th</sup>	Don Worley	\$8
5 <sup>th</sup>	Dick Belcher	\$6
6 <sup>th</sup>	Jim Moser	\$4
7 <sup>th</sup>	Don Worley	\$3

It's obviously not for the money. But, it is bragging rights. We members contributed great ornaments and these individuals did a lot. Thanks.

### New Member

Tina Hammond joined The Dayton Carvers at the September meeting. Tina lives in Dayton. Welcome, Tina. We enjoy having you and you will enjoy carving with us.

Karen Christian re-joined The Dayton Carvers. Glad to have you back.

### September 50/50 Winner

It was Dick Belcher. This was a big meeting and a big 50/50 payoff. \$20.50.

We did not have Show & Tell in order to have more time for the ornaments contest.

Twenty seven people were at the September meeting, a recent record.

### Taxus Wood Available

During her spoon carving program Laura Gorun talked about Taxus. If that spurred your interest in Taxus, go back to the August newsletter. It tells where some Taxus is available locally.

### At Marion's the carvers

work their little pizzas on cardboard the way a rat terrier works a rat. We do that every first Wednesday of the month at noon in Marion's North Piazza. Marion's North is at 3443 North Dixie Drive in Dayton. Join us if you can.

### Bruce Henn to Teach at Woodcraft

You folks who contact The Dayton Carvers website to try find a carving class, I hope you read this because here it is.

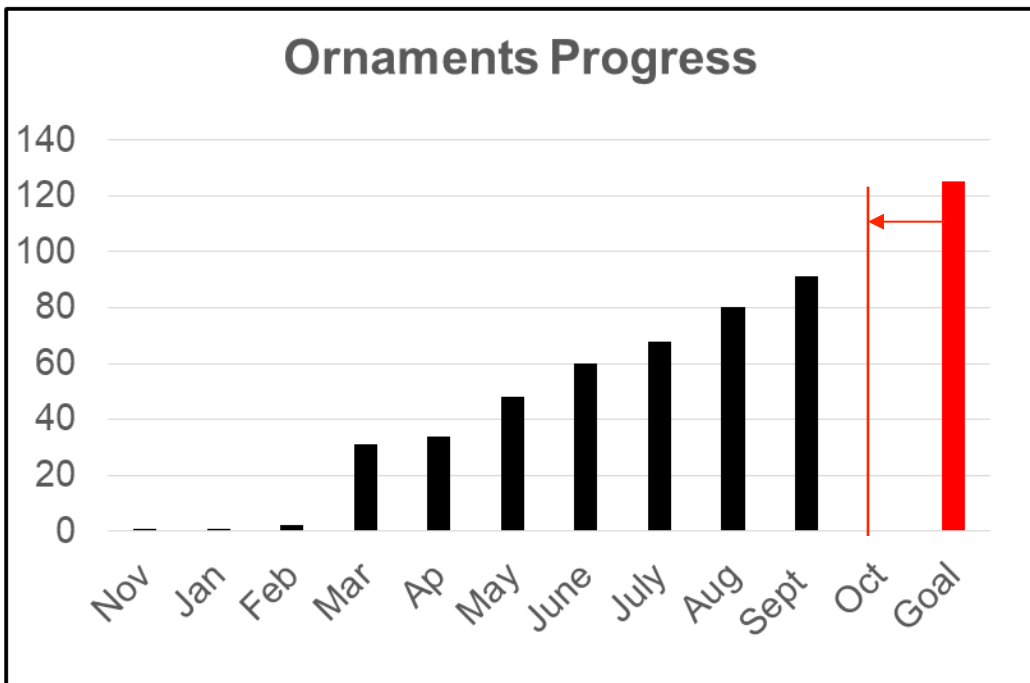

Bruce will conduct a beginner's class, Carve a Santa Shelf Sitter, at the Woodcraft shop in Centerville on November 29<sup>th</sup>. See the Woodcraft website for time details, which tools you should have and registration.

<http://www.woodcraft.com/stores/dayton>

It's guaranteed that you will learn and you will have some fun. And, you don't have to be a beginner.

### How do you patch a cracked pumpkin?
