June Program: Airbrushing by Sandy Czajka

What equipment? Where do you get it? How much does it cost to get started? What paint? How about thinning – how much and with what? How messy is it? How do I prepare the wood? Is it hard or easy? How do you do it? How much time does it take? Do I need instruction? Where? Does it take a lot of practice? What should I use it on? Find out from Sandy.

Carver of the Month

We'll get to know a bit more about Jim Reboulet.

Who we are. What we do.

We, The Dayton Carvers Guild, are wood carving enthusiasts. Some are experts and some are beginners. All are welcome.

Carvers and folks who might be interested in carving are invited to come to our meetings.

At a typical meeting we start with Show and Tell. Seeing what others have carved inspires your carving. We break for coffee and cookies, and then have a program. It might be a "how to" demonstration or a presentation of something related to wood or carving. Ideas flow.

Artistry in Wood is a world class two-day show exhibiting wood carving and woodworking art, selling it, selling tools and wood, plus a competition. We put on this show.

If you have questions please contact Marshall Stearns at Lstearns@erinet.com or (937) 837-0728.

Next Dayton Carvers Guild Meeting: Tuesday, June 26th, 7 pm at United Rehabilitations Services Building, 4710 Troy Pike (at Needmore Road), Dayton, Ohio. Meetings are at 7 pm on the 4th Tuesday of the month except there is none in December.

Program: Airbrushing by Sandy Czajka

Carver of the Month: Jim Reboulet

Cookie Contributors: Lee Puckett and Don Mertz

We are in the Dayton Mini Maker Faire

The Dayton Carvers Guild will participate in the Maker Fair. We will have two 10-foot covered spaces, will have electrical power and you will be able to sell your carvings there. The event draws a large crowd with very diverse interests. It's a great way to introduce carving to folks who might be so inclined but have little contact with carvers. Last year they had about 3,000 attendees on a rainy weekend.

It runs from 9:30 a.m. till 5 p.m. Saturday August 4th and noon till 5 p.m. Sunday August 5th at Dayton's Carillon Historical Park. Come if you want, exhibit if you want and sell if you want. The organization is simple – just come. Let me know who is coming ahead of time so I can get free passes.

Our contacts have been Josh and Emily Cory. Contact me if you want their email or phone numbers. The Dayton Mini Maker Faire website is dayton.makerfaire.com (note, no www).

Reach me, Marshall, at Lstearns@erinet.com or (937) 837-0728.

Club pays \$75 for Maker Faire

The Club voted to pay \$75 for our people to be able to sell carvings at Maker Faire. We'll see how it goes and decide on whether to do this again in 2019. If we don't sell, we pay nothing.

Ruth Westbrook Passes

Ruth Westbrook passed away May 8 at the age of 89. A lot of the carvers who used to do The Columbus Show knew Ruth. She was always a character and a very sweet person. (from Barb Belcher)

Carvers like Marion's because

it's a place to take off your boots and loosen your corset. The carvers wine and dine at Marion's Piazza North at noon on every first Wednesday of the month. Our Marion's is the one at 3443 North Dixie Drive in Dayton. We'd enjoy seeing you there.

The Western Ohio Woodworking Club will be at Maker Faire.

They will have a booth and will give demonstrations at an additional space. Scott Phillips will give a 4-hour turning demonstration.

The plan is for the Dayton Carvers Guild and West Ohio Woodworking Club to be near each other.

Dates to get your carvings to Maquoketa, Iowa

Dick and Barb Belcher will transport your carvings for the Iowa competition, enter them and haul them back. They will be on the road June 7th so get your entries to the Belchers by June 5th, earlier if possible. (Yes, you might not have this newsletter by June 5th.)

A regular program replaces the October Pot Luck

The October pot luck dinner has been a lower attendance meeting so instead of pot luck we will have a regular program. With that, we can carve pumpkins at our October meeting, just prior to Halloween.

Some of our regular attendees will be absent from the July program because it is the evening prior to The Buckeye Roundup. So, we will have a special surprise program that evening.

Here is the program plan as of now (it always changes).

- June Airbrushing by Sandy Czajka
- July Surprise program by Marshall & Lee Stearns
- August Tool Control by Bruce Henn.
- Sept Ornaments Contest and then Spoon Carving by Laura Gorun of the Columbus Chippers.
- October Carve a pumpkin by Karen Christian
- November Everyone carve a Santa ornament by Don Mertz.
- January TBD
- February TBD
- March TBD
