June 2022

This, from chip carve artist Marshall Stearns, though calling his chip carving an art is like calling a crow a songbird.

June Program: A Carve In

The June meeting will be a traditional carve in. Bring an ornament to carve, or a comfort bird, or a chain or, whatever you are working on and do some carving. Meetings are usually a bit rushed and this time will can talk, get help, get organized and enjoy carving with friends.

In July

we plan on having bird carver Gary Denzler.

Congratulations, Don Stephenson,

for a great article on your three horses pyrography in the Summer 2022 issue of WOODCARVING ILLUSTRATED.

Who we are. What we do.

We, The Dayton Carvers Guild, are wood carving enthusiasts. Some are experts and some are beginners.

Carvers and folks who might be interested in carving are invited to come to our meetings.

At a typical meeting we start with Show and Tell. Seeing what others have carved inspires you. We break for coffee and cookies, and then have a program. It might be a "how to" demonstration or a presentation of something related to carving. Ideas flow.

If you have questions please contact Marshall Stearns at (937) 837-0728 or emstearns8@gmail.com.

Temporary restrictions for meetings:

We must park on the north side of the URS building (which people refer to as "the alley") and enter directly into the Vocational Room on the north side of the building.

A restroom is available in the hallway outside of the Vocational Room.

Those who are not vaccinated must wear a mask. If you have been vaccinated, you are not required to wear a mask unless you enter into a hallway or common area since there may be staff present.

We are to clean up the chips, put tables and chairs back, and exit the building by 8:30.

Next Dayton Carvers Guild Meeting: Tuesday, June 28th 6:30 pm at United Rehabilitations Services Building, 4710 Troy Pike (at Needmore Road), Dayton, Ohio. Meetings are at 6:30 pm on the 4th Tuesday of the month except there is none in December.
