

Dayton Carvers Guild September 2022

This comes from Marshall Stearns, a humorless chip carver, despite his pathetic efforts.

September Program: Carve In with a focus on Ornaments

It's time to enjoy an evening of carving with friends. Bring whatever you want. But, we need more Christmas tree ornaments for United Rehabilitations Services so that would also be a good thing to bring to carve. Whack out some more ornaments at home. Dick Belcher said he'd make available some more ornament rough outs.

Dick Belcher will bring in some more carving materials that had belonged to Jim Moser. These will be given away again by raffling.

Who we are. What we do.

We, The Dayton Carvers Guild, are wood carving enthusiasts. Some are experts and some are beginners.

Carvers and folks who might be interested in carving are invited to come to our meetings.

At a typical meeting we start with Show and Tell. Seeing what others have carved inspires you. We break for coffee and cookies, and then have a program. It might be a "how to" demonstration or a presentation of something related to carving. Ideas flow.

If you have questions please contact Marshall Stearns at (937) 837-0728 or emstearns8@gmail.com.

Temporary restrictions for meetings:

We must park on the north side of the URS building (which people refer to as "the alley") and enter directly into the Vocational Room on the north side of the building.

A restroom is available in the hallway outside of the Vocational Room.

Those who are not vaccinated must wear a mask. If you have been vaccinated, you are not required to wear a mask unless you enter into a hallway or common area since there may be staff present.

We are to clean up the chips, put tables and chairs back, and exit the building by 8:30.

Next Dayton Carvers Guild Meeting: Tuesday, September 27th, 6:30 pm at United Rehabilitations Services Building, 4710 Troy Pike (at Needmore Road), Dayton, Ohio. Meetings are at 6:30 pm on the 4th Tuesday of the month except there is none in December.

Carvers Luncheon at Marion's

The carving community has lunch every first Wednesday of the month at Marion's North Piazza. Carvers try to manipulate the conversation to keep their own affairs out of the news letter and the other person's in. Join the fun. We start at about noon. Marion's North is at 3443 North Dixie Drive in Dayton

The August Show and Tell Drawing

Russ Wright had the winning ticket and chose a glue spreader.

The August 50/50 Winner

Bruce Henn finally hit the jackpot. Thirteen big ones.

Teresa Balsbaugh will teach us how to carve a scarecrow straw at the October meeting. This will be a learn by doing lesson.

To give more time for carving we'll skip the raffle in October.

What is a scarecrow straw? Not her. That:
